How-to Host your "Egg-stra" Special Girls Night:

- * **Hold your own Girls Night Out** with your customers, friends, neighbors and those sharp women you really want to book.
- * **Invite people with a postcard** (mailed or hand out)
- * **Call to follow-up** with everyone to get a commitment.
- * **Offer a special gift** for each friend she brings. If she can't come, offer to host a girls night out for and her friends and even provide the egg hunt.
- * **Fill the eggs** with candy or samples. Depending on how many guests, you can have 1-5 grand prize eggs that include a gift certificate or a product like lip gloss or eye shadow.
