You can enter your name in the drawing as many times as you like!

Here are ways that you can earn entries:

- 1** Enter your friends and family in the drawing! For every name you enter you get your name in once! (please provide emails and phone numbers so they can be contacted with their prize). You can enter as many friends in the drawing as you like!
- 2** For every \$5 in products that you buy between now and March 31st you get one entry. I have great ideas for Easter baskets including pampering and favorite colors.
- 3** Hold a Party with me in March and get 10 entries.
- 4** Allow me to get your opinion of the Career Opportunity—even if you aren't interested—and you get your name in 10 more times.

I will notify all winners by April 3rd so I can deliver your basket or gift before Easter.
