

THE LOADED LOOK BOOK!!

Thanks Angelee Murray!

Here's a great way to gain referrals while being generous with your current clients! Check out the picture of the Loaded Look Book "Load" it up with whatever samples you have on hand. Tape them on the corresponding pages. Along with TimeWise, Velocity, and Color samples, I put in fragrance vials, and even stapled in a little zip-loc of the most popular lipcolor and pencil samples. Make up several and put three or four copies of the Hostess Sheet with each Loaded Look Book.

Don't forget the "Loaded Look Book Hostess Sheet!"
